

ALLIGATOR CLIP

UT-C Series

UT-C01 Hook type test clamp

- Specifications: Rod length 62mm, hook can extend to 7.5mm
- Safety level: CAT III 1000V 10A
- Features: With safety handle and spring hook type alligator clips
- Amount: 1 pair

UT-C02B (M4) threaded bore alligator clip

- Specifications: Length 80mm, opening 36mm
- Safety level: CAT III 1000V/CAT IV 600V 10A
- Safety certificate: EN 61010-031:2015
- Amount: 1 pair

UT-C05A (M4) threaded bore alligator clip (with protector)

- Specifications: Length 67mm, opening 8.3mm
- Safety level: CAT III 1000V/CAT IV 600V 10A
- Amount: 1 pair

UT-C06 Test probes

- Specifications: Rod length 106mm, probe length 19mm
- Safety level: CAT III 1000V 10A
- Features: Fully-insulated, with tip and protector, banana plug probes
- Amount: 1 pair

UT-C08 Test probes

- Specifications: Rod length 99mm, probe length 18mm
- Safety level: CAT III 1000V/CAT IV 600V 10A
- Features: Fully-insulated, with tip and protector, straight type probes
- Amount: 1 pair

UT-C12 Through hole alligator clip (with protector)

- Specifications: Length 53mm, opening 6mm
- Amount: 1 pair

UT-C02A Through hole alligator clip

- Specifications: Length 80mm, opening 36mm
- Safety level: CAT III 1000V/CAT IV 600V 10A
- Safety certificate: EN 61010-031:2015
- Amount: 1 pair

UT-C04A Through hole alligator clip

- Specifications: Length 75mm, opening 27mm
- Safety level: CAT III 1000V/CAT IV 600V 10A
- Safety certificate: EN 61010-031:2015
- Amount: 1 pair

UT-C05B Through hole alligator clip (with protector)

- Specifications: Length 71mm, opening 8.3mm
- Safety level: CAT III 1000V/CAT IV 600V 10A
- Amount: 1 pair

UT-C07 Multifunctional electric test clips

- Specifications: Rod length 110mm, adjustable clip length 8mm
- Safety level: CAT III 1000V/CAT IV 600V 5A
- Features: Standard transfer socket, adjustable multifunctional clips
- Amount: 1 pair

UT-C09 Test probes

- Specifications: Rod length 99mm, probe length 18mm
- Safety level: CAT III 1000V/CAT IV 600V 10A
- Features: Fully-insulated, with tip and protector, lantern type probes
- Amount: 1 pair

ADAPTER SOCKET

UT-S Series

UT-S01B Multifunctional adapter socket

- Function: Adapter test of temperature, capacitance and transistor
- Suitable products: UT58 series
- Amount: 1PC

UT-S03 Multifunctional adapter socket

- Function: Adapter test of temperature and capacitance
- Suitable products: UT61B, UT61C, UT61D
- Amount: 1PC

UT-S05 Multipurpose standard adapter socket

- Function: Adapter test of temperature and capacitance
- Suitable products: UT61B, UT61C, UT61D (GS version)
- Amount: 1PC

UT-S07 Temperature adapter socket

- Suitable product: UT181A
- Amount: 1PC

UT-S09 BNC test wire adapter socket

- Suitable product: UT81 series
- Amount: 1PC

UT-S02B Multifunctional adapter socket

- Function: Adapter test of temperature, capacitance and transistor
- Suitable products: UT61A
- Amount: 1PC

UT-S04 Multifunctional adapter socket

- Function: Adapter test of temperature, capacitance and transistor
- Suitable product: UT61A (GS, 2010 CE version)
- Amount: 1PC

UT-S06 Power adapter socket

- Suitable products: UT171 series, UT181
- Amount: 1PC

UT-S08 UT612 adapter socket

- Suitable products: UT612
- Amount: 1PC

UT-S10 Wattmeter adapter socket

- Fixed current: 10A
- Suitable product: UT71E
- Amount: 1PC
